

Certificate of Authenticity

Artist's Name

The artwork

forms part of the artist's ongoing exploration of story, form, and expression.

Each piece is created with intention and care, reflecting a distinct moment within the artist's practice.

No two works are ever the same.

Each mark, layer, and decision contributes to a work that is both unique and enduring.

This Certificate of Authenticity verifies that the artwork is an original, created by hand, and represents an authentic expression of the artist's vision.

It stands as a singular piece, with its own presence, meaning, and place within the artist's body of work.
